

# MULTILATERAL ROTARIAN FORUM LYON OCTOBER 14-16 2022

Multilateral Rotarian Forum (MRF) was devised by 3 districts coming closer: Lombardy (2042) in Italy, Bade Wurtemberg (1830) in Germany, and Lyon Région (1710) in France.

It focuses on promoting Peace, Europe and Youth and inspiring the Rotary and Rotaract clubs to take joint practical actions.

From October 14 to October 16 2022, district 1710 will host the Rotaract and Rotary clubs of those 3 Districts.

This friendly Forum will help clubs network with the 3 districts' youth , plan

Global Grants, set up short term exchanges (STEP), start relationships and initiate twin clubs..

We shall enjoy time to exchange ideas, attend a conference on Europe, and enjoy social interaction and visits in and around Lyon.

We do hope you and many friends will come to this Forum to promote Europe and Peace".
